

I APPRECIATE THIS FORM BUT WHAT DO "YOU" WANT YOUR MAYOR TO DO FOR YOU.

Granada Hills North Neighborhood Council

The citizens of Los Angeles have become skeptical concerning the current abuse of their adopted Community Plans, through exemptions and changes ordered by Zoning or Council.

- When a zoning change is requested, would you favor notification of all residents in the Community Plan area and have all the hearings held in that area? Yes No
- Should Neighborhood Councils be given land use powers? *WITH AN EXPLANATION* Yes No
- The City, at one time, adopted "K" overlays to protect horse-keeping and open space in the City. Since the City falls far short in meeting its open space requirement and the overlays are now being abandoned as "conceptual only", would you move to give these maps a greater level of enforcement? Yes No
- Traffic is a major concern in our Council area. The first exit from areas to the north, including Palmdale, Lancaster, Santa Clarita, Castaic, etc. from the I-5, is Balboa Blvd. This street is completely congested with cars, morning and evening, as commuters from the north converge at this point. There are a tremendous number of new developments planned to the north, which will exacerbate the situation. We have thought of several partial solutions. Which of these will you support?
 1. Prohibit left turns 3 to 7 PM, from N/B Balboa Blvd. to Balboa Road and also to Foothill Blvd, Mondays through Fridays and right turns from San Fernando Road to Balboa Road and left turns from Sierra Hwy to Foothill Blvd, 6 to 10AM on the same days? *What do you want? STUDY (SEE) YOUR OPINION* Yes No *MORE STUDY*
 2. Permit turns at those same hours to high occupancy vehicles? (more than 80% now have a single occupant) Yes No
 3. Charge a toll? Yes No
 4. Will you propose offering financial incentives to businesses that allow a substantial portion of their work to be done electronically by employees working from their homes? *ELIMINATES TRAFFIC CONGESTION* Yes No
 5. In order to expedite traffic from the northern Los Angeles County areas including Santa Clarita, Palmdale, Lancaster and the new Fort Tejon project to the west San Fernando Valley, would you support the extension of any of the major arteries, such as De Soto or Topanga Canyon over the hill? This would alleviate traffic on the 5 Freeway, 118 Freeway and Balboa Blvd. *UNDECIDED* Yes No
- If a situation arose that the Santa Monica Mountains Conservancy blocked construction through their areas, would you support tunneling? Yes No
- Would you support funding for this project through a toll system? Yes No *UNDECIDED I WILL HAVE TO STUDY THIS OPTION*

U/D - MEANS UNDECIDED AT THIS PRESENT TIME, I WOULD LIKE TO KNOW WHAT DO YOU WANT !!

• The public has grown to believe that commission appointments have become a reward for contributors and the well connected. Would you support any of the following:

• Sunshine Canyon will, with the phasing out of Puente Hills, become the largest dump in the U.S. The impacts on the surrounding community will be enormous. To handle trash more responsibly will you commit to the following?

Yes ___ No

• Neighborhood Councils receive "early notification" of a project only after the application is deemed complete by the Planning Dept.. Unfortunately, the environmental documents have already been prepared, the maps adopted, etc., by this time in the process. Would you support giving notice to the Neighborhood Councils when the first applications are filed and the first meetings are held between the proponent and staff?

Yes No ___
